Rally Planned

Support Striking Workers at Motor City Chrysler

Thursday February 8th 2018 3:30pm

Please join in the fight Against Concessions!!

60 Members of Unifor Local 195 have now been on strike for over a week fighting Employer demands for concessions.

Please drop by to show your support and help send a clear message and put pressure on Motor City Chrysler to get back to the Negotiating Table to reach a fair & equitable Settlement for these Workers.

Any time and support you can give to these Workers would be greatly appreciated.

In Solidarity,
